IT La versatilità diventa un valore aggiunto. Design minimale e dimensioni contenute si traducono in capacità ad adattarsi con discrezione ed eleganza ad ogni ambiente. Come un filo continuo, testiera e giroletto, interamente rivestiti, disegnano un'unica forma senza interruzioni. La testiera imbottita è foderabile in tessuto o in pelle, trapuntata a mano con lavorazione capitonné o in versione liscia. Geometria lineare e quasi bidimensionale quella dei piedi, disponibili in plexiglass, essenza, laccato opaco e nelle finiture metallo opache e lucide.

EN Versatility is the added value for this bed. Its minimal design and dimensions let it discreetly and elegantly adapt to any environment. Like an uninterrupted line, the fully-covered headboard and bed frame create a single, continuous shape. The upholstered headboard is available in a tufted version or plain version, in leather or fabric. The straight, almost two-dimensional legs are available in Plexiglas, wood and matt lacquered and in matt and glossy metal finishes.
