Sleek

Designer: **Mauro Lipparini**

Sleek, dalla marcata sensibilità spaziale, rappresenta una nuova idea di comfort ed estetica, capace di interpretare dinamicamente le esigenze di chi la vive. La forma di questa poltrona elegante disegnata da Mauro Lipparini, tra tagli discreti e geometrie armoniose, ci riporta allo spirito nostalgico del modernismo mid-

century italiano. Il monovolume della seduta-schienale poggia su una struttura in metallo dal design fisionomicamente e visivamente leggero. La poltrona Sleek è disponibile sia nella versione girevole che in quella a quattro gambe.
