

BONALDO

Mida

Designer: Gino Carollo

La collezione Mida prende il nome dal mitico Re che trasformava in oro tutto ciò che toccava. Allo stesso modo le sedute Mida arricchiscono lo stile dell'ambiente distinguendosi per lo schienale dalla forma generosa ed avvolgente e per il basamento in metallo che conferisce una linea armoniosa all'intera struttura. La morbida imbottitura della seduta e dello schienale, unita ai

preziosi rivestimenti proposti da Bonaldo, fanno di Mida l'elemento ideale per la zona living intorno a un tavolo, oppure, nella versione a sgabello Mida too, davanti a un piano bar. La collezione Mida include una sedia senza braccioli (Mida), una sedia con braccioli e schienale alto (Miss Mida) e lo sgabello (Mida too) in due diverse altezze.
