

BONALDO

Pivot

Designer: **Marconato e Zappa**

Il tavolo Pivot prende il nome dalla forma peculiare della sua base: la gamba centrale del tavolo funge da fulcro per le tre gambe che si sviluppano lateralmente. Ne risulta una composizione asimmetrica e del tutto originale che dona

carattere all'ambiente. Le gambe sono realizzate in legno massello frassino carbone o color noce con inserti in metallo, mentre il piano è disponibile in marmo, legno massello, cristallo e ceramica, nelle due versioni rotonda e a botte.
